Festival Event “Menu” for Gold and Platinum Business Partners Club members:

A client/colleagues night out

£800 - £1,500
+ venue hire & hospitality where requested

Provide your clients and colleagues with a night to remember. We will book you an exclusive comedy show, at a venue that suits you. 3 comedians, supported by a great compere, will entertain you for 75 minutes. Add a reception drink (or drinks....) before the show, and nibbles/food plus some networking after the show, and you'll have a unique night which guests will remember for months to come.

Stand Up Challenge

£300+ VAT, participant fee

Impress your clients and colleagues by taking part in the unique Stand Up Challenge. We will support and help you write a 5 minutes stand-up routine which you will then perform as part of the final shows in Leicester or Nottingham. Supported by Leicester Mercury and Nottingham Post.

Adopt a comedian

from £300

We can source you a comedian to liven up your event. Whether it's a conference, a team meeting, an AGM or other business event, a comedian can attend and deliver a specific set for your organisation, or write material relevant to your sector. We can also provide a comic poet who can write a specific amusing poem, based on current issues/discussions within your organisation. The poem can be used to send to colleagues, use on your intranet or use on social media.

Cartooning workshop

from £600

Everyone can learn to draw a cartoon in a couple of hours – as long as they have the support of a professional cartoonist to teach them the tricks. A cartoonist will visit you and your team to teach the basics which can then be developed to produce a series of specific cartoons for you and your organisation. A useful opportunity to build a team, develop relationships amongst a team and help explore issues and topics relevant to your organisation.

Business Lunch

from £500

Feed your guests and then treat them to a comedy performance they will never forget! We can provide a brilliant comedian to attend and liven up a traditional lunch for your clients and colleagues. Past comedians have included the winner of the UK Pun Championships.

All dishes are available within the main festival dates.

Please ask about availability throughout the year.
